

Driving into 1999 as the Heartland Classics Chapter of A.C.B.S.!!

As the new year is upon us, the Classic Boat Club will be experiencing some new growth, and along with that growth comes new changes. Recently members voted on the prospect of becoming a chapter of the Antique and Classic Boating Society in 1999 and the measure passed overwhelmingly. Now the real work begins for Classic Boat Club to shine as we embark on being the first to apply for chapter status with A.C.B.S. in 1999. Many of you, who have expressed interest, will be contacted to participate as board members and officers in this exciting endeavor. Our Petition for Chapter status will be submitted and considered at the February meeting of the A.C.B.S. So, climb into the driver's seat, open the throttle and enjoy the ride as we take on this adventure together!!!

Who are these two mischievous characters, and what are they up to on a cold day in December?

Mary Whitfill & Jan Hinton
